ART CLASS

Kids will get a chance to use crayons, watercolors, acrylics, clay and much more, as they create their own art portfolios focused on famous painters and art styles around the world.

Our classes promote critical and creative thinking in children through artistic instruction. We take a hands-on approach to learning with a focus on problem solving and self - expression.

\$40 per month

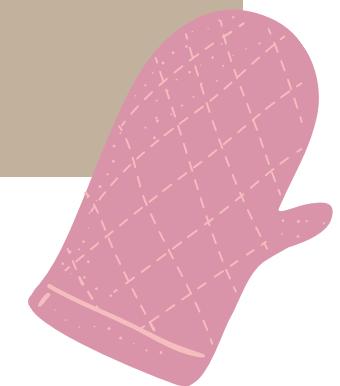

COOKING

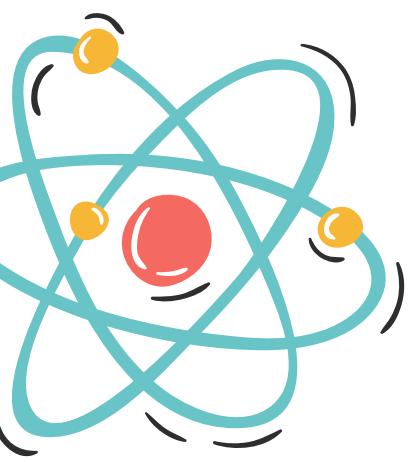

We provide a safe and empowering environment to learn Montessori practical life skills, confidence, independence, and healthy eating habits to last a lifetime.

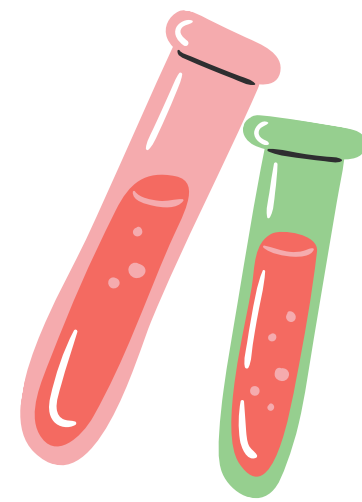

Our classes encourage children to improve communication and language skills, while we talk about the different textures, smells and tastes.

\$50 per month

SCIENCE EXPERIMENTS

We tap into their curiosity with fun activities and they develop the desire to explore and experiment.

Our classes help children to better understand the environment they live in; developing analytical thinking, problem solving and improved observation skills
